CATAMOUNT TRAIL MEMBER STICKERS

Thank you for choosing to be a member of the CTA! Included with your membership materials is a membership sticker. We hope that members proudly display this sticker.

Membership is the foundation of our organization and your participation and support is what made the Catamount Trail possible, and it's what fuels all of the good work we do here at the Catamount Trail Association.

See you on the trail!

CATAMOUNT TRAIL ASSOCIATION

The Catamount Trail Association is a passionate group of backcountry skiers and outdoor enthusiasts. We've been breaking trail since 1984, creating North America's longest backcountry ski trail and pioneering innovative recreation projects throughout Vermont.

Our mission is to expand access to Vermont's backcountry because we believe days spent in the mountains with friends are powerful, and that those experiences should be open to everyone.

FREQUENTLY ASKED QUESTIONS

WHAT DOES THE CTA OFFER THE COMMUNITY?

The Catamount Trail Association (CTA) manages, maintains, and conserves the Catamount Trail (CT), a 300-mile backcountry ski trail that runs the length of Vermont from the Massachusetts border to Canada. Additionally, the CTA, through partnerships with regional chapters, develop and maintain a variety of backcountry zones. The CTA also offers single and multi-day backcountry tours, instructional events, youth ski programs, and other events that promote backcountry and nordic skiing and riding throughout Vermont.

WHAT SUSTAINS THE CTA?

Memberships, contributions, grants, and events allow us to maintain our small staff and continue to do the work we do. But, it is the landowners who host the trail, the volunteers who maintain the trail, and an open and collaborative approach to keeping the trail alive that truly sustains the organization.

WHERE DOES THE TRAIL BEGIN AND END?

The Catamount Trail begins at the MA border in the town of Readsboro, VT and ends at the Quebec border in North Troy, VT. In total, it passes through 36 towns and covers over 300 miles of beautiful backcountry terrain. The CT is divided into 31 sections that are generally skiable in a single day. Maps and section descriptions are available at no cost on our website at www.catamounttrail.org.

HOW CAN PEOPLE HELP SUPPORT THE CTA AND OUR CHAPTERS?

- **Visit our website and become a member and make a donation.**
Membership has benefits! To become a member or make a donation please visit our website at www.catamounttrail.org.
- **Join us at an event or on a tour.** In the winter we offer nearly 50 day tours on or near the Catamount Trail, several special events, and a variety of multi-day tours that help skiers check sections off their list on the way to becoming an **End-To-End**.
- **Volunteer at events, help maintain the trail, or assist with office tasks.**
No matter how productive a day is, there is always more on the to-do list. Our generous volunteers are the reason we are able to accomplish all that we do!
- **Use the Catamount Trail and our Backcountry Zones!** The Catamount Trail Association exists to ensure you have a place to get away from it all once winter arrives. Get out there, enjoy it, and tell your friends about it. We want everybody to have the opportunity to enjoy the trail and the Vermont backcountry!
