#### CATAMOUNT TRAIL MEMBER STICKERS

Included with your membership materials is a membership sticker, or stickers for families. We are asking that members proudly display this sticker on the rear windshield of their vehicle(s).

Membership is the foundation of our organization and your participation and support is what made the Catamount Trail possible, and it's what's fueling the expansion of our chapters and backcountry zones.

If we are going to continue this work we need all the help we can get... Think Snow!

## What does the Catamount Trail Association offer the community?

The Catamount Trail Association (CTA) manages, maintains, and conserves the Catamount Trail (CT), a 300-mile backcountry ski trail that runs the length of Vermont from the Massachusetts border to Canada. Additionally, the CTA, through partnerships with regional chapters, develop and maintain a variety of backcountry zones. The CTA also offers single and multi-day backcountry tours, instructional events, a youth nordic ski program, and other events that promote backcountry and nordic skiing and riding throughout Vermont.

#### WHAT SUSTAINS THE CATAMOUNT TRAIL ASSOCIATION?

Memberships, contributions, grants, and events allow us to maintain our small staff and continue to do the work we do. But, it is the landowners who host the trail, the volunteers who maintain the trail, and an open and collaborative approach to keeping the trail alive that truly sustains the organization.

#### WHERE DOES THE TRAIL BEGIN AND END?

The Catamount Trail begins at the MA border in the town of Readsboro, VT and ends at the Quebec border in North Troy, VT. In total, it passes through 36 towns and covers over 300 miles of beautiful backcountry terrain. The CT is divided into 31 sections that are generally skiable in a single day. Maps and section descriptions are available at no cost on our website at www.catamounttrail.org.

#### How can people help support the CTA and it's Chapters?

#### 1. Visit our website and become a member and make a donation. Membership has benefits!

To become a member or make a donation please visit our website at www.catamounttrail.org

#### 2. Join us at an event or on a tour.

In the winter we offer nearly 50 day tours on or near the Catamount Trail, several special events, and a variety of multi-day tours that help skiers check sections off their list on the way to becoming an **End-To-Ender**.

#### 3. Volunteer at an events, help maintain the trail, or assist with office tasks.

No matter how productive a day is... there is always more on the todo list. Our generous volunteers are the reason we are able to accomplish all that we do.

#### 4. Get outside in the winter and use the Catamount Trail and our BC Zones!

The Catamount Trail Association exists to ensure you have a place to get away from it all once winter arrives. Get out there, enjoy it and tell your friends about it!
